Sinelnikova has held multiple solo exhibits in New York and her light exhibitions have been featured Internationally. She primarily works with holograms, performance and visual culture and the show will feature use of projectors and large screens in the gallery.

Opening the show will be performance called *Snow Crash*, featuring JJ Brine, Cornelia Singer, and Montgomery Harris. There will also be DJ sets by Picture Plane and a performance by Cecily Feitel.

The exhibition will go from January 12th-February 9th.
